SENATE HAS NEW R. R. BILL FOR COUNTRY

Measure Designed to Supplement Adamson Law Recently Put in Force.

STRIKES ARE NOT PROHIBITED

Nation Given Right to Take Charge of Railroads in Case of War.

By Associated Press.

Washington, Feb. 9.—After many weeks' consideration, the senate interstate commerce committee today approved and reported to the senate a bill to supplement the Adamson railroad law, providing for investigation of controversies on common carriers and giving the president authority to take over railroad, telegraph and telephone lines in times of military necessity.

There is no prohibition in the measure against the right to strike or lock-out, to which the railroad brotherhoods have vigorously objected, but there is a provision to prevent obstruction of the mails or of interstate commerce.

Chairman Newlands expects to call the bill up as soon as possible. It is much like that introduced in the house earlier in the week and may be passed at the present session. It is expected to meet the views of the administration since it has become apparent that more stringent bill virtually would have no chance of getting through before adjournment.

Under the terms of the bill when the present federal mediation and conciliation board fails to settle a railroad labor controversy, the president shall enlarge the board by the addition of one representative of the carriers and one of the men.

The military necessity section provides that in case of actual or threatened war, insurrection or invasion or any emergency requiring the transportation of troops, military equipment and supplies of the United States, the president when the public safety requires may take possession of necessary parts of telegraph and telephone lines and railroads and draft their officers and employees into the federal service.

Any person refusing to be drafted or who injures or destroys such property or interferes with its use when in federal hands would be subject to five years imprisonment.

Ambassador Gerard and Party to Leave Berlin on Saturday

By Associated Press.

Berlin, Feb. 9.—Former Ambassador Gerard and his party probably will leave Berlin Saturday evening, although the date has not been definitely fixed. It is expected that they will travel by way of Switzerland.

Mr. Gerard was offered the choice of leaving Berlin Saturday or Sunday and quickly decided in favor of the earlier date. The train which will take him to neutral soil will be composed of sleepers and day coaches and probably will make better time than the regular train service, which no longer attaches importance to the speed as in peace times.

The former ambassador and Mrs. Gerard will be accompanied by nearly all the embassy secretaries and attaches and members of the consular service in Germany, except a few ordered to Scandinavia or Holland, and by most of the American newspaper correspondents. The train will carry about 200 persons from the German capital.

Nearly Million Sent to Jews in War Zone

By Associated Press.

New York, Feb. 9.—Distribution of \$965,000 for the relief of Jewish war sufferers in the various war zones was authorized by the joint distribution committee here today.

This accounts for every dollar in the treasury and leaves a deficit beside. An appropriation of \$460,000 was made to be sent to Germany for the relief of the Jews in Poland and Lithuania, but the money will not be sent until the approval of the state department at Washington is obtained.

STALE CARE.
By John Kendrick Bangs.
Of all the stale and sorry things That worry brings, I think the stalest past compare Is some bleak care Out of the defenses of yesterday, Old, cold and gray; Some barren bit of deadly fear Of yesterday, Whose only need of fruitfulness Is bitterness, And that's indeed one reason why When Care comes by To vex and pester me with Doubt I kick him out!

GERMANS URGED TO BE LOYAL TO U. S.

PRESIDENT OF NATIONAL ALLIANCE WRITES STRONG LETTER.

Philadelphia, Feb. 9.—Dr. Charles J. Hexamer, president of the National German-American alliance, tonight made public a letter urging members of that organization to remain loyal to America in the present national crisis and advising them the alliance Wednesday night adopted resolutions endorsing the action of President Wilson in severing diplomatic relations with Germany and decided to turn the funds collected for German war relief over to the American Red Cross in case of war.

In his letter Dr. Hexamer said:

"The National German-American alliance must in this crisis stand on the same high plane of absolutely American patriotism which it has always upheld and unless it does so it has no right to exist in our country."

Although Mr. Jones received his appointment in January, it was only recently that he was given his final orders. He will go to his destination by way of New Orleans and Washington and will sail from New York February 17 on the "Chicago," which will carry a number of students from the University of California and from Harvard who will also become members of the ambulance corps.

Members Mostly College Men.

Members of the corps are mostly college men from the leading institutions of the United States. Mr. Jones will be the only representative from the Lone Star state. For four years he was a student of the University of Texas, where he specialized in journalism. The last Texas representative, a young man named Bailey, who came from San Antonio, sustained injuries while in service in France and is present in a critical condition in a hospital in Paris, France. There are eighty-six Harvard representatives and twenty-five men from Yale now enlisted in the corps.

Organized by A. Platt Andrews, professor of money and banking at Harvard university, the ambulance corps began active service soon after the great European struggle began. Subscriptions from the various wealthy sections support the organization, which is controlled by a New York committee composed of W. K. Vanderbilt, August P. Belmont, Harry Payne Whitney and Whitelaw Reid, formerly ambassador to England.

Will Get Training Course.

Upon his arrival in France with the other students who will be given a two weeks' training course at Paris which will teach him the work which is being carried on assisting the victims of the war. His principal duty will be driving an ambulance from the field hospital to the base hospital. Five sections compose the corps and are located as follows: Two in Flanders, one in the Vosges mountains and two in the Verdun section. It is not yet known which of these sections Mr. Jones will be sent to.

It was through David B. Douglass of Boston, who was in the ambulance service for eighteen months in Alsace, that Mr. Jones was appointed. While in the service Mr. Douglass was conspicuous in the work and was awarded the "Cruz de Guerre," which is the "cross of war" and is presented by the French war department for some act of bravery. Mr. Jones knew Mr. Douglass through his brother-in-law, John L. Hunter, state boys' secretary of the Young Men's Christian association, and was recommended to the corps by him.

Before his appointment was made Mr. Jones was forced to furnish a number of recommendations which came from officials of the University of Texas and several prominent Waco persons.

NEWS MAN OFF TO WAR IN FRANCE

Clitus Jones Will Become Member of American Ambulance Corps.

TO BE STATIONED NEAR FRONT

Activities of Battle Will Be Related in Special Articles to Waco News.

Having received an appointment to become a member of the American ambulance field service corps now on duty on the western front in France, Clitus Jones, aged 23 years, of 900 North Eighteenth street, will leave Waco tonight unless he receives an order stating that, due to Germany's unrestricted submarine warfare plan, his passage across the ocean would not be safe. Mr. Jones will be a special correspondent of the Waco Morning News. From time to time he will send in articles dealing with the activities on the battle front and tell of some of the work conducted by the ambulance corps in caring for the maimed and dying.

Short Distance from Battles.

Although not on the battlefield during the actual fighting, members of the ambulance corps are very seldom farther than a mile away and often much closer. They are easily in range of the fire and are often killed or wounded. But despite this Mr. Jones sought his appointment, is glad that he was given it, and stated that he may re-enlist after he has served his first term, which consists of six months.

Although Mr. Jones received his appointment in January, it was only recently that he was given his final orders. He will go to his destination by way of New Orleans and Washington and will sail from New York February 17 on the "Chicago," which will carry a number of students from the University of California and from Harvard who will also become members of the ambulance corps.

TWENTY-FIVE LOST WHEN BOAT SINKS

BRITISH TORPEDO VESSEL HITS MINE IN ENGLISH CHANNEL.

By Associated Press.

London, Feb. 9.—Twenty-five of the crew of the torpedoed British steamer Vedamore perished with the sinking of the vessel, according to the press association. The survivors have been landed.

The official statement follows: "A torpedo boat destroyer of an older type employed in patrol duty in the English channel struck a mine last night and sank. All the officers were lost. There were five survivors among the crew."

The oldest type of destroyer in the British navy is known as class A, built between 1893 and 1895. There are twelve vessels in this type. The average displacement is 316 tons, length 200 feet and beam nineteen feet. Two of the vessels have a complement of forty-five men each while the other ten carry fifty men.

MOONEY IS FOUND GUILTY OF MURDER

TRIAL THAT LASTS FIVE WEEKS COMES TO AN END.

By Associated Press.

San Francisco, Feb. 9.—Thomas J. Mooney was convicted of murder in the first degree by a jury in the superior court here tonight in connection with a bomb explosion costing ten lives during a preparedness parade July 22, 1916.

The case went to the jury late today. The trial lasted a few days more than five weeks. Warren K. Billings, the first defendant to be tried, was convicted and sentenced to life imprisonment. Three others including Mooney's wife, remain to be tried.

Referendum Before War Declared Is Unpopular

By Associated Press.

Washington, Feb. 9.—A resolution calling for a popular referendum before any declaration of war, except in case of insurrection or invasion, was introduced today by Representative Callaway of Texas, "by request" following a conference with several of his colleagues.

Senators who heard of the Callaway resolution in the house thought such a proposal would not get very far in the upper branch of congress. It was reported that one of the senators who voted against the resolution endorsing the diplomatic breach with Germany planned to introduce a similar resolution, but none has been submitted.

RECORDS OF CONGRESSMEN TO BE PROBED

Stock Exchange Accounts Held by Brokers Will Be Examined.

INSPECTION TO BE PRIVATE

Associated Press Says That No Information Leaked Out of That Office.

By Associated Press.

Washington, Feb. 9.—Stock exchange accounts held by members of congress will be examined by the "leak" inquiry committee as a result of the testimony of a Washington broker today that certain representatives have traded through him. The accounts will be inspected privately and if there is any suspicion that official information has been utilized in trading, public investigation of the transactions will be inaugurated.

Most of the local brokers' records are now in possession of the committee and supplemental accounts will be obtained in New York when hearings are resumed there next week.

George B. Chipman, Washington manager for Harriman & Co., New York brokers, testified that congressmen had been trading with him. He expressly stated that no senators had any accounts with him.

When W. B. Hibbs, another local broker, was asked if any members of congress had accounts with him, he said his full records would answer the question. Eugene E. Thompson, manager of the Crane, Parry & Co., brokerage office, denied that any members of congress had accounts with him. None of the representatives of the remaining Washington brokerage offices examined was asked regarding congressional accounts but their records have been subpoenaed.

Jackson S. Elliott, head of the Washington bureau of the Associated Press, testified that his office had not violated Secretary Lansing's confidence and that none of the Associated Press members was apprised of the coming of the note until its text was transmitted to them in accordance with the department's instructions.

BANKS IN LARGER CITIES ON DECREASE

RESOURCES OF SMALLER TOWNS SHOW REMARKABLE GAIN.

By Associated Press.
Washington, Feb. 9.—Sharp shrinkage in the resources of national banks in the chief cities of the country and gains showing strength never attained before by banks in smaller cities were disclosed in the comptroller of the currency's statement of bank conditions on December 27, the date of the last bank call, made public today.

There was a net shrinkage of \$18,000,000. New York City banks reduced their resources \$200,000,000; in Chicago the reduction was \$15,000,000; in Philadelphia \$12,000,000; in Boston \$15,000,000; in San Francisco \$7,000,000 and in St. Louis \$5,000,000. Louisville banks showed an increase of \$5,000,000 and in Des Moines and Salt Lake City, next on the list, the increase was about \$4,000,000 each. The cities and towns showed lesser increases.

Among the country banks, the statement read, Pennsylvania led with an increase of \$20,000,000, followed by Iowa with \$10,000,000 and Illinois with the same amount. Country banks in Ohio and New Jersey increased about \$5,000,000 each; Kansas, Kentucky and California about \$4,000,000 each; and Louisiana, Indiana and Wisconsin \$3,000,000 each. States in which the banks showed a decline between the last two calls—November and December—were included New York, \$10,000,000; Texas \$8,000,000; Georgia \$7,000,000 and Oklahoma and North Dakota about \$2,000,000 each.

Decentralization of mechanical strength and its diffusion throughout the entire country are indicated, the comptroller asserted.

"Since May 1, 1916," said the statement, "country banks have increased their resources 750 million, or 12 per cent. In the same period resources of national banks in the central reserve cities declined \$77,000,000 or 2 per cent, and resources of national banks in other reserve cities increased \$455,000,000 or 11 per cent."

"These figures indicate the tendency noted for some time past toward a wider diffusion of the banking resources of the country."

Total resources of national banks December 27 last were \$25,235,000,000, an increase since January 15, 1914, of \$4,037,000,000 and an increase of \$1,855,000,000 since December 31, 1915.

House Revenue Bill Not Yet Completed

By Associated Press.
Washington, Feb. 9.—Democratic senators were in caucus tonight until a late hour on the administration revenue bill without reaching an agreement. They adjourned until tomorrow night when administration leaders expect to see approved a measure similar to the house bill which would provide for a \$100,000,000 bond issue and for an excess profit tax and increased inheritance taxes to raise approximately \$250,000,000.

Early in the caucus Senator Thomas of Colorado pressed his amendment for the issuance of \$500,000,000 in treasury notes for the payment of national defense expenditures, the treasury note to be made a legal tender. Senator Hootch, chairman of the currency committee, denounced it as a "wild cat" currency scheme and the caucus voted the amendment down by an overwhelming majority.

It was agreed, however, that the bill should be finally passed upon not later than 11 o'clock tomorrow night.

Sergeant Karl H. Eisenhart, Cleveland, Ohio, and Private Charles Eaton, Connecticut, Ohio, were the men killed.

Spanish Ships Have Suffered Heavily

By Associated Press.

Madrid, Feb. 9.—The Spanish Mercantile Marine, which in July, 1914, consisted of 640 vessels with an aggregate tonnage of \$46,491, up to January 31 had sustained losses of ships to the value of about 70,000,000 pesetas by reason of the war. Seven steamships, aggregating 18,000 tons, and twenty-two other ships have been sunk by mines or submarines.

The losses represent about 12 per cent of the merchant marine.

RED CROSS CARE FOR MILLION

EXPERT HOSPITAL FORCE COULD BE MOBILIZED VERY QUICKLY.

By Associated Press.

Washington, Feb. 9.—An expert hospital force sufficient to care for an army of a million men could be mobilized by the Red Cross within a few days after an outbreak of hostilities, officials at headquarters of the society here believe.

Since the call was issued Saturday instructing Red Cross chapters throughout the country to place themselves on a footing for field work many encouraging reports have been returned to headquarters together with a great flood of personal offers of service. Elliot Wadsworth, acting chairman, estimated tonight that the force which could be mobilized immediately in case of war would include:

Twenty-six completely equipped army and navy hospital units with a total personnel of 1,250 nurses and 599 nurses' aids.

A hospital base reserve of 415 nurses and 133 nurses' aids.

Thirty-one partially complete war detachments of twenty nurses each.

One hundred and fifteen local emergency detachments and a corps of expert instructors in surgical dressing, totalling about 150.

Mr. Wadsworth said that all told the organization could put into the field 2,290 trained Red Cross nurses and estimated that if thirty per cent of these to whom the Red Cross had given elementary training responded to the call as nurses' aids, the total nursing personnel would be about five thousand.

"With the customary assignment of ten patients to each nurse," he added, "we could thus take care of fifty thousand sick and wounded at once."

In the earlier stages of war the proportion of sick and wounded is about five per cent. In other words we are prepared today to give expert nursing service to an army of one million men.

"No national health system has ever found the Red Cross better prepared than it is today."

Pan-American Labor Organization Urges All Workers to Unite

By Associated Press.

Washington, Feb. 9.—A manifesto declaring that speculators and politicians are erecting a business fabric in Latin America which endangers the future of the masses and calling upon the wage earners of the Americas to unite "for their common protection and betterment" was issued here tonight by the conference committee of the newly organized Pan-American Federation of Labor. To permeate the western hemisphere with a humane influence and to protect it "from being overrun by military domination from any quarter" were declared by the manifesto to be essential duties of the federation. A platform of labor and political reforms was submitted to guide the endeavors of wage earners "to secure the better standards of life and work."

SENATE DOESN'T WANT WOODSON IN OFFICE

By Associated Press.

Fort Worth, Feb. 9.—At the conclusion of the executive session of the senate at 1 o'clock, Secretary McCall announced that all approval was sent up by Governor Ferguson, in the list of January 17, were confirmed, with the exception of that of C. W. Woodson, acting chairman of the state labor commission. The senate refused to confirm Woodson's appointment.

It also was announced that the senate had also confirmed all of the appointments sent up by the governor on January 27 with the exception of the three new members of the board of regents of the University of Texas. It is understood that these were not considered but will be at another executive session to be held next Wednesday morning.

The senate did not take any action on the successor of J. T. Rowzee of Austin as a member of the board of managers of the state insane asylum, as no date had been set to consider this particular amendment.

AUTO DEALERS WILL FIGHT TILLOTSON BILL

INVESTIGATION TO BE MADE BY LOCAL COMMITTEE.

To oppose the passage of the Tillotson bill by the senate, and which has been passed by the house at Austin, the Waco Automobile and Accessory association members last night named a committee of three at their meeting held at the Chamber of Commerce rooms. Composing this committee are J. M. Nash, V. M. Washam and T. D. Humphreys.

This committee will also investigate this bill which is now pending in the legislature. According to Sec. E. F. Zarr last night this bill in question seeks to put a special license on automobiles of twenty-five cents per horsepower, this affecting the owners of cars. In other words, according to Mr. Zarr, it will cost purchaser of an automobile on an average of \$7.50 for automobile license if this bill passes the senate.

It is stated that the bill also seeks to place a tax on the auto dealer of \$100 per year for the first demonstration license that he secures, \$100 for the second like license and \$1 each per year for succeeding licenses. This will be disastrous to the dealer, according to Mr. Zarr in case the bill passes.

May Make Trip to Austin.

In the event that it is considered necessary the committee named will make a trip to Austin to be on hand for the opening of the legislature Monday morning. It is intended to try and auto associations over the state will be queried as to what efforts they are making to fight the bill.

About twenty were present at the meeting last night. Short talks were made by several among whom were J. C. Killgore, Percy Willis, D. C. Ryburn and E. S. Fentress.

Three new members were admitted into the organization.

Standing committees for the ensuing year were named as follows: Executive, Percy Willis, W. E. Brown and E. F. Zarr; membership, Charles Battelle, Harry L. Smith and Hay Hayes; exhibit, Percy Willis, J. C. Killgore and W. E. Brown; entertainment, John Hendrix, H. E. Spencer and Harry L. Smith; good roads, J. C. Killgore, B. C. Nettles and W. N. Miner; publicity, J. M. Nash, V. M. Washam and T. D. Humphreys; credits, W. H. Monte, J. C. Killgore and Moore Hays; ordinance, Clyde Ryburn, C. T. Shook and T. E. Ayres.

Plans for the spring auto show were discussed but will be taken up at a later date. It is intended to try and hold the show in connection with the spring state show at the TEXAS COTTON PALACE coliseum.

Particular attention was paid last night to the securing of paving for South Fifth street and other thoroughfares.

HEADACHE, BACKACHE WEAK & NERVOUS

Doctor Recommended Cardui. After Taking 6 Bottles, Says Her Health Now Better Than Ever Before.

"Longview, Tex.—I am now in better health than I have ever been in my life," writes Mrs. Hester Stovall, of this town. "My health began four years ago, after the birth of my first child, and my health had been all broken up ever since. I began taking medicine from the doctor, and was under his treatment five months. I got no better. He treated me from September until January, and then he recommended Cardui, which I began to take, and my health is now better than it has been for years."

"I suffered four years. I was able to do my work, but felt badly all the time, felt weak and nervous. My head ached, my back hurt and pains me all the time, could hardly sleep at night and every morning when I would get up I felt dizzy and sluggish. I feel I owe my life to Cardui. Nothing ever cured me or even helped me until I took Cardui. I also took Black Drought, too. It seemed to cleanse my system thoroughly and I felt so good after taking it. I hope every woman who suffers will try Cardui. In all I have taken six bottles of Cardui and it only cost me five dollars."

Cardui may be the very medicine you need for your troubles. Give it a trial. At all druggists.

BANQUET LAUNCHES WACO'S FIRST ROSE PLANTING MOVEMENT

TALKS AND MUSICAL NUMBERS RENDERED AT ELABORATE OCCASION OF LIONS.

"A rose by any other name would smell as sweet," and the twenty-second of February has long been a notable date in American history, but dating from the Lions' club rose banquet last night at the Raleigh, the rose will smell sweeter in Waco by reason of its increased numbers and the birthday of the Father of His Country will have an added distinction of being also the birthday of civic rose planting in Waco.

Gathered about a great horseshoe table in the main dining room of the Hotel Raleigh, where rose-colored lights above shed a ruddy glow on the roses which graced the banquet board, the Lions and their ladies with many invited guests participated last night in an enjoyable social occasion which marked the launching of the municipal rose planting movement in Waco.

Following the invocation by Rev. F. N. Calvin, President L. C. Alexander of the Lions' club and chairman of the rose day committee, stated the purposes of rose day in a few well chosen remarks, concluding with the introduction of W. W. Woodson as toastmaster of the evening.

Appropriate Songs Sung.

Toastmaster Woodson introduced Mrs. G. J. Rousseau, upon whom he bestowed the title of "Queen of the Prairies." Mrs. Rousseau sang two very appropriate songs, "I Sing to My Love," and "Three Roses Red," followed by another selection in response to a hearty encore.

W. Roy Christian talked on the origin and aim of municipal rose planting day. He stated that the project had its origin in the desire of the Lions' club to inaugurate a work which would tend to make Waco a more beautiful city. Mr. Christian stated that an important part of the campaign consisted of giving adequate publicity to the movement and that much effort had been devoted to this end.

The "city beautiful" was featured throughout the talk of Mr. Christian. Co-operation on the part of the public was urged for Rose Planting Day, February 22. This day has been officially designated as such by the mayor of the city. Mr. Christian brought out the fact that the individual who desires to live in a large or busier city does not necessarily have to wait for Waco to grow, for he can move to a larger town if he desires; but he who would have a beautiful home with all the home environments, must build that home and atmosphere himself. The planting of beautiful flowers, he said, can contribute much to this end.

Introduced by the toastmaster, W. W. Woodson, as a "Cluster of Sweet-wood," Misses Nell O'Connell, Frances Clark and Lucile Wright entertained the audience with a splendid rendition of the sextette from "Lucia" on the piano. Responding to an enthusiastic encore, the trio was repeated.

Andrew McBeath Talks.

"General Jaqueminot" was the sobriquet bestowed by the toastmaster upon Andrew McBeath of Temple, the president of the "Flowers-for-the-Living Club." Mr. McBeath held the attention of the audience with a speech filled with droll wit. He explained first that the "Flowers-for-the-Living Club" has only one officer, the president; that he is president and intends to continue in that office indefinitely. Three beautiful violin numbers were rendered by Prof. Anton Navratil, instructor in violin at Baylor university. These numbers were "To a Wild Rose," "The Bee," and "To Spring." Professor Navratil was accompanied by Prof. E. Arthur Johnson at the piano.

Next on the program was W. V. Crawford, who was dubbed as "A Dandy Lion," by Toastmaster Woodson. Mr. Crawford commented on an amusing vein on the speeches of those who had preceded him and stated that he hoped the success of rose planting day this year in Waco would warrant its continuance as a regular annual event. Mr. Crawford concluded with a strong plea for co-operation in a city-wide rose planting movement.

Club Presidents Introduced.

Presidents of the various organizations of the city who were present as guests of the Lions club were next introduced, making one minute talks on the general subject of "What the Visitors Think." Responses on this topic were made by Mrs. E. M. Dotson, president of the Federation of Women's Clubs; Mrs. Llewellyn Aubrey, president of the Federation of Women's Missionary Societies; Mrs. N. B. Kent, secretary of the Welfare league, and J. W. Carlin, president of the Waco Ad club.

Dr. F. N. Calvin introduced as "Jack-in-the-Pulpit" responded to the subject of "Two American Beauties." Dr. Calvin said that no great movement for civic betterment could be accomplished without the co-operation of the city. Following this a splendid tribute to womanhood in general and to the women of Waco in particular in which Dr. Calvin named the rose as one American beauty and the women of the nation as the other, the speaker proceeded to toast the ladies. This met with hearty approval.

Misses Fay and Byrd Hoffmann brought round after round of applause with a dainty little musical skit entitled "The Rose in Song and Dance." One of the sisters played the piano accompaniment while the other danced. Both sang.

Toastmaster Woodson announced that all of those in attendance on the banquet were invited to occupy boxes at the Hippodrome theatre as guests of Manager J. P. Everett immediately following the close of the banquet, but owing to the lateness of the hour the toastmaster thanked Manager Everett for his invitation and reserved the right to accept it on behalf of the Lions at a later date.

The decorations, American beauty roses predominating, were as artistic as at any banquet in Waco in years.

PLAN MOBILIZATION OF WOMEN FOR WAR

MISS ANNE MORGAN (Top) AND MISS MAUDE WETMORE.

Special to The News.

New York, Feb. 9.—A mobilization of women in home, office, farm and factory to prepare them for war duty is to be effected through a new emergency committee headed by Miss Maude Wetmore and Miss Anne Morgan.

"We hope to organize the women of the country to take the places of the men who will be called to military service," said Mrs. Schuyler Van Rennselaer, one of the organization committee.

"Women are ready to do their part always, but they often fail to be effective because of the lack of organization. We are probably the only country that has ever gone to war with women as well as its men mobilized for national service."

The women will be divided into nine groups, according to their personal preferences. The groups are listed as follows:

Social and welfare work, home administration, agriculture, health, medical and nursing, parliamentary, signaling, motor driving and general service. As soon as the weather permits there will be national encampments of women where standardized work along these lines will be done.

The new organization, which is known as the National League for Women's Service, came into existence about three weeks ago in Washington, but when the international emergency arose the work took a new spurt. Miss Grace Parker, formerly head of the Campfire Girls, is to be the national commandant.

Auto of Waco Pastor Disappears from Front of Raleigh Last Night

Dr. F. N. Calvin, pastor of the Central Christian church, last night discovered that his seven-passenger automobile was missing from in front of the Hotel Raleigh following the close of the Lions club rose banquet. He at once notified police headquarters of his loss.

Up to an early hour this morning no trace of the car or its whereabouts had been gained. Officers are still searching.

Bowser and Brown Are Preparing for Match

When Charlie Bowser of Philadelphia, Pa., meets "Pet" Brown of Taylor at the Auditorium theatre Monday night, it is expected that Waco wrestling fans will see one of the best wrestling classics that has been staged in Waco in several months. Bowser is a man of the first water in the wrestling world and one that has won no little favor with Eastern followers of the game.

Not only is Bowser well known in the East, but also through the middle West, where he has met and defeated several of the best men of the country.

Wrestling fans here are acquainted with Brown and know that he is a good man, as they have seen him in action here on several occasions. The best wrestling match ever staged in Waco is expected when the East and the West meet in the forms of Bowser and Brown here Monday night.

New Hatrack Is Cause of Messenger Boys Striking

One nice, new hatrack was the cause of several boys of the Western Union going on a strike yesterday. After the office accessory was purchased, Manager Jones gave the boys a brief talk on politeness and requested them to make use of it.

But one or two of the boys saw that if they placed their hats on the rack and received a rush call they might be delayed a bit. So they organized, and they struck.

However, Manager Jones was able to give the usual service last night, and said that the strike had not affected the Western Union seriously.

For California Visitor.

To spend the luncheon hour with Mrs. Lon Brooks of California, who was a guest in the home of the hostess for Thursday, Mrs. Shapley P. Ross included in invitation Mesdames W. J. Neale, M. Falkner, Misses Gertrude Rush and Clara Primm. An enjoyable hour of luncheon informality.

The Idle Ease Club.

Miss Lucy Lazenby's club favors on Thursday were pretty novelties from the Novelty shop, and they were captured by Miss Clara Bell Knight and Mrs. William Dugger, the former a guest. Miss Lazenby added a guest table in entertaining the Idle Ease Bridge club and included in invitation Misses Susan Dowell of McKinney, Clara Bell Knight, Erin Balne, Mildred Whitsett of Amarillo, Willie Lee Miles of Bruceville and Mrs. Richard Ruckingham.

Mrs. Jesse Penic.

Mrs. Jesse Penic has quite often been a guest of the Thursday Auction Bridge, and in return courtesy invited them to meet with her on Thursday. A pretty valentine idea prevailed both in decorations and refreshments. Mrs. Penic's delightful hospitality was also shared by Mesdames Henry Coffield, Tom Hewitt, Potter, Joseph W. Hale, Roberts and Miss Dancy. Mrs. Frank Clarke received the club prize, a dainty piece of lingerie, Mrs. J. J. Powers in final cut was consoled with a pretty picture and an individual pepper cruet was a guest favor received by Mrs. Coffield.

With Mrs. C. H. Carrington.

At the Woman's Auxiliary Missionary meeting of the Central Presbyterian church on Thursday, Mrs. Annie D. Flinn of Sioux City, Iowa, now a visitor in the home of her sister, Mrs. C. H. Carrington, of North Tenth street, was the guest of honor. Her fifteen years' experience in the government Indian service (her husband being superintendent proper of the government Indian school work). The last half hour of the meeting was a social one. Miss Helen Owen sang and Miss Dana Clark gave violin numbers while the hostess, Mrs. Carrington, poured tea and cakes were passed.

Mrs. F. M. Compton Welcomes Club.

In addition to the regular club, Mrs. F. M. Compton, who was hostess, invited Mesdames John M. Dockery, W. A. Parker, F. J. Lennox, George Stubbfield, Walter Early, E. A. Hancock, D. S. Dotson and A. D. Thompson to share in the enjoyable social hours while the Merry Matrons on Thursday. Sewing bags brought by the Matrons were conducive to the delightful informality that prevailed. As a finale a luncheon plate, unusually attractive, was served by the hostess. Valentines were the souvenirs of the hour.

Mrs. J. J. Aikin Entertains Bunco Club.

The Jolly Matrons, formerly known as the Huaco Heights Bunco club, met Thursday afternoon at Mrs. J. J. Aikin's home, 1311 Third street. Valentine suggestions were noted in score cards and in heart-shaped receptacles filled with mints which were enjoyed throughout the game. For high score Mrs. C. Bower was awarded a bottle of toilet water and Mrs. George Casey the consolation, a hand-embroidered combing jacket. Dainty refreshments were served. The club will meet next Thursday with Mrs. C. J. Bryden, 529 Proctor. The membership reads: Mesdames Alvin Strange, C. E. Lyons, Fenton Morgan, C. J. Bryden, George A. Casey, C. Bower, Daniel, Woody R. Hunt, Will Hotchkiss, Dan Linn, J. M. Morgan, E. A. Kenney and the hostess.

Pre-nuptial Courtesies.

Twice on Thursday was Miss Fay Clinton claimed as honoree. At one o'clock Miss Virginia Rose entertained with a beautiful luncheon at the Hotel Raleigh for Miss Clinton, the bride of next Monday. Pink carnations filled a basket for table adornment and miniature bride's slippers in silver holding lilacs of the valley were the favors. These also held the place cards for the twelve guests who were Mesdames Fay Clinton, Beuna Clinton, Epina Holz of New Braunfels, Mary Gorman, Nora Gorman, Lalla Fay Lacy, Ruth Hubby, Frances Luedde, Thelma Ashburn, Florence Patton, Pauline Mc. Lendon and the hostess.

In the afternoon, Mabel Chambers poured tea for Miss Clinton, extending invitations to some sixty or more girl friends to call between the hours of 4:30 and 6.

Mesdames Will Brazzelton, P. S. Durham, Edwara Patton and William Topping Merry, the last two being on their first visit home since their marriage, were the young matrons receiving with the hostess and honor guest. Others in this attractive house party were Mesdames Beuna Clinton, Norma Bonner, Emma and Mary Ferrell, Virginia Rose, Epelka Holz of New Braunfels, Lalla Fay Lacy and Ruth Hubby. Miss Ethel Foster graciously presided at the silver tea service.

The table, overlaid with handsome Cluny cloth, held at the center a South Sea Island basket overflowing with yellow jonquils, while in pretty crystal and silver dishes and trays were the mints and bon-bons, reflecting the hue of the jonquils. Yellow candles bowed with maline added a mellow glow to the pretty scene.

Pink cyclamen and carnations were effective in living room and music room.

Miss Clinton, ever lovely, was on these two occasions of Thursday, exceedingly sweet and charming.

Miss Chambers was assisted in this cordial affair by her mother, Mrs. Thomas Padgett.

Reception Ball.

Among the auspicious social happenings of Thursday was the reception ball which the Henry Downs chapter, Daughters of the American Revolution, gave at the Progress club Thursday evening.

Patriotism is the keynote of the Daughters of the American Revolution. They also seek to preserve local landmarks or historic spots. Already they have done much toward preserving the old Waco spring on the banks of the Brazos river at the base of the suspension bridge and in a desire to place a tablet or boulder at this spot on which may be written the story of the coming of the first white man here for settlement, the delightful reception ball was given amid an environment of patriotic decorations. The red, white and blue lent itself most admirably under the direction of Sanger Brothers' artistic decorator, for this patriotic affair.

The Henry Downs chapter as a whole formed the reception committee, most of whom appeared in Colonial dress and powdered hair. Mrs. Quitman Finley (nee Alice Downs), as regent of the local chapter, was first to greet the arriving guests. Miss Decca Lamar West, in handsome Colonial costume, distributed dance programs. Before the dance, however, a musical program of patriotic airs was rendered by Gladys' orchestra and as the first notes of the "Star-Spangled Banner" were heard Miss Dorothy Finley, daughter of the chapter regent, pulled a cord that unfurled the "Stars and Bars" which proudly waved over the brilliant assemblage. The chapter members and guests stood and sang with deep feeling "My Country, 'Tis of Thee." The grand march was led by J. Lee Davis and Miss Dorothy Finley, and with the joyous strains of "Dixie," a program dance of sixteen numbers was begun.

Under the chairmanship of Mrs. W. J. Neale and her efficient committee a caterer's supper was enjoyed at 10 o'clock, consisting of escalloped oysters, delicious home-baked ham, cheese, pickles, sandwiches and steaming coffee.

Refresher music was enjoyed by the affair something near \$200 will be added to the boulder fund. Mrs. Hal Moody as general chairman and to whom much of the evening's success was attributable, was ably assisted by the committee named.

Music—Mrs. Walter G. Lacy, Mrs. M. C. H. Park, Mrs. W. H. Kendall, Mrs. T. B. Dockery, Mrs. W. A. Morrow and Mrs. Spark Durham.

Refreshments—Mrs. W. J. Neale, Mrs. Frank Trau, Mrs. Bolivar C. Nettles, Mrs. T. M. Dilworth, Mrs. J. W. Evans, Mrs. R. B. Spencer.

Decorations—Mrs. J. Lee Davis, Mrs. C. C. Terry, Miss Decca Lamar West, Mrs. Bart Moore, Mrs. W. C. Harman, Mrs. Tom L. McCullough, Mrs. J. R. Maxfield, Mrs. H. M. Lockwood, Mrs. L. P. Tuttle.

Programs and Tickets—Mrs. J. D. Williams, Mrs. E. J. Clarke, Mrs. Baker Hoskins, Mrs. E. C. Blomeyer, Mrs. B. G. Kendall.

H. W. Nevins was called on Thursday to Augusta, Ga., on account of the serious illness of his sister.

HOW GOOD THAT MUSTEROLE FEELS!

It Gets to That Spot Like Magic

A-a-h! That's delicious relief for those sore muscles, those stiff joints, that lame back.

Musterole is a clean, white ointment, made with the oil of mustard and other home remedies.

It does the work of the old-fashioned mustard plaster, minus the plaster and minus the blister!

You simply rub Musterole on the spot where the pain is—rub it on briskly—and usually the pain is gone. No muss, no bother. Just comforting, soothing relief—first a gentle glow, then a delightful sense of coolness. And best of all, no blisters like the old-fashioned mustard plaster used to make.

Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet and colds of the chest (it often prevents pneumonia).

Tick Eradication Bill Approved by Senate

By Associated Press.

Austin, Feb. 9.—Senate committee on penitentiaries today referred the Dayton senate bill providing for a reorganization of the penitentiary system to a subcommittee composed of Senators Gibson, Dean and Aldrine.

Senate committee on stock and stock raising reported favorably the compulsory tick eradication bill. Under an

agreement reached between the stockmen the state is divided into three zones. In the first zone, which is the northwestern part of Texas, the compulsory feature of the bill shall become effective on March 1, 1920 and in zone 2, southwest Texas on March 1, 1921.

The Lattimore public utilities bill was reported unfavorably by senate committee on commerce and manufacture. This kills the proposition as far as this session of the legislature is concerned.

LIONS AMONG ROSES.

IT WAS the Lady and the Lion in-
stead of the "Lady and the Tiger"
at the banquet which inaugurated Rose
Planting Day in Waco at the Raleigh
last night. And the Lions and their
Ladies have started a movement which
will add lastingly to the beauty of the
city.

For Waco as the Texas city of roses
will epitomize her balmy climate, and
the optimism of her life.

While at school the writer in his
indigo hours was accustomed to walk
thru the half mile of Rose Lane on the
Griscom estate at Haverford, Pennsylv-
ania. The blue devils always died
before the vista of rose hedges.

It is impossible to remain a pessimist
among flowers. If The News may be
of service to the Lions in spreading the
Rose gospel of love and beauty its col-
umns are open to them in full measure.

IS IT A DEADLOCK?

WASHINGTON appears to be
marking time waiting for a Ger-
man sub to sink a merchantman with
the loss of American lives. It may be
in President Wilson's mind that the
merchantman sunk should be Ameri-
can-owned before he considers extreme
measures are called for.

The president is right in his view-
point. He is a grasp of history and
present American sentiment that will
refuse to consider a technical violation
of United States' rights on the seas as
a cause for the sacrifice and horror
with which we are increasingly associ-
ating the name of war.

"Why did the United States go to
war?" would be the ever-repeated
question of students of the present
conflict. For the pure record of the
United States as a peace-loving and
peace-inspiring nation the immediate
cause should not be a trivial one no
matter how serious the preliminary
provocation.

And present world opinion, particu-
larly the viewpoint of the neutral na-
tions of which the United States is the
thought leader, will be unanimously
behind the justice of the American
cause only if a declaration of war
should follow an immediate outrage of
considerable magnitude.

The sinking of a British ship with
the accompanying loss of a negro
American sailor is not such a provoca-
tion.

THE CROP PROSPECT.

ALL reports agree that farm lands
of Central Texas are in the best
condition in a decade, there having
been little interference with the break-
ing this land deep and thoroughly. Al-
though the ground is somewhat dry,
yet it is well pulverized and percola-
tion will be thorough when the rains
come. This condition has been as-
sisted by deep breaking and by two or
three freezes at opportune times.

Farmers feel that the rains will come,
and that this year will record wonder-
ful production over this fertile region.

OUR SAND BANK ASSET.

A WACO asset that has been over-
looked until within the past five
years is the enormous deposits of sand
and gravel right at the doors of the
city. The gravel is largely used in
building streets and the sand in con-
struction work.

In the matter of reinforced concrete
construction Waco has tremendous ad-
vantages, having the sand and gravel
ready for the hauling; it has been
stated that a reinforced concrete build-
ing can be erected here for from 15 to
22 per cent less money than almost
any other city in the Southwest. This
form of construction is rapidly becom-
ing popular in Waco, as it has in
Atlanta, Nashville and other large
Southern cities.

PAPER ON TIME.

Waco Morning News subscribers re-
ceiving mail at McGregor, Crawford,
Coryell, Osage, Clifton and Valley Mills
have been receiving their paper a day
late during the past week. This was
largely the fault of the Santa Fe rail-
road, who refused to carry mail on the
train which leaves Waco at 7 a. m.
The trouble has been adjusted and, be-
ginning today, all subscribers of The
News at the above towns will receive
their paper early each morning.

DAWSON

Dawson, Feb. 9.—At the meeting
Monday of the city council, Marshal
Wright reported \$1,159.77 taxes col-
lected since the last meeting. Claims
against the city amounting to \$276
were allowed and ordered paid.
All banks will be closed Monday, it
being Lincoln's birthday and a legal
holiday.

Frances Kimball of this place were
united in matrimony at the home of the
bride, Mr. and Mrs. Richards will re-
side in Waco.

A campaign is on for a sewer sys-
tem for Dawson. This is a move in
the right direction, as Dawson is in
need of a sewage system for the entire
city. Other towns in this locality
smaller than Dawson are in better
shape than we. One more big mass
meeting should be held at once and
every effort put forth to make Dawson
the cleanest town in Texas.

THEATRES

"The Million Dollar Doll"
"The Million Dollar Doll" will be played at the Auditorium theatre to night. Good seats should be on hand early, as this promises to be one of the banner attractions of the season, and Manager Gussie Oscar is giving the following guarantee:
"This is the third season of the 'Million Dollar Doll.' It is all new this season. Larger and better than ever, and any one who attends this show and is not satisfied, come to box office after the first act and get your money back. You positively run no risk, so let every one turn out and give this great show a packed house. It is not burlesque, but a nice, clean and refined musical comedy."
(Signed) "G. OSCAR,
"Manager Auditorium."

HIPPODROME.

"Jim Bludso."
Motion picture lovers who were boys thirty years ago will enjoy thrills of happy reminiscences when they see George Stone, the Fine Arts juvenile star, as Little Breches in the picture of "Jim Bludso," at the Hippodrome theatre today only. The picture is based on the famous Pike County Ballads by the Honorable John Roy, former secretary of state. In his role of Little Breches, George wears a pair of red-topped, copper-toed boots such as every youngster longed for thirty years ago. The director advertised for some boots of that period, partially worn out, but the only answer was from an old white-haired lady who had a pair worn by a son long since dead, and because of the danger of losing them in the river flood, the director would not take them.

QUEEN.

"Buffalo Bill."
"Buffalo Bill" is the title of a motion picture production which will be shown at the Queen theatre today depicting some interesting incidents dealing with the life of the great Western plainsman. The picture deals with all important acts in the life of "Buffalo Bill" and is elaborately and realistically arranged.

COMING "ROUND UP" IS DISCUSSED BY ADWRITERS

EDUCATIONAL PROGRAM GIVEN AT MEETING LAST NIGHT.

In addition to hearing the educational program at last night's session of the Waco Advertisers' league at the Raleigh hotel, the advertisers "round-up" for Friday night, February 23, was discussed.

At the "round-up" speakers will handle various questions relating to the further co-operative development of Waco's trade territory, co-operation between the advertiser and publisher, a mid-week trade day for Waco and other interesting subjects.

Chairman R. E. Fellow of the special committee working up the "round-up," stated that plans were progressing toward one of the best events imaginable. On that evening decorations will be used in the gold room of the Raleigh pertinent to advertisers and publishers.

Chairman J. J. South of the educational committee announced the winners of the Snaman & Co. contest. T. M. Sappington won first prize; M. E. Davis won second and third prizes. Eight members submitted copy.

Charles E. Marsh of the Waco Morning News was present and upon invitation addressed the league along general publicity lines.

John Wyche told of direct and trade journal advertising.

Frank Stevens was enrolled as a new member and spoke of the possible development of Waco as an industrial center through co-operative publicity.

T. W. Robertson spoke of the protective and educational value of an advertisers organization.

Miss Pauline McCauley, public librarian, told the advertisers last night of the various books accessible to those interested in ad writing. These books, she stated, were for free use of the public and the library welcomed borrowers.

Wacoan Is Attending Texas Foundrymen's Association Meeting

F. A. Winchell of Waco spent yesterday in Houston, where he went to attend the annual meeting of the Texas Foundrymen's association.

The foundry business in Texas, it is stated, has grown rapidly in the past five years. Lighter portions of the iron work of many structures, stairways and small fire escapes are being made in the state. Waco has two or three foundries.

From Houston Mr. Winchell goes to San Antonio and will reach home about Tuesday.

Prof. John Strauss to Attend St. Louis Meet German Mission Board

For the purpose of attending a session of the central mission board of the German evangelical synod, Prof. John Strauss of Robinson will leave tomorrow for St. Louis, where the meetings will be held in the theological seminary.

Professor Strauss is chairman for Texas of the home mission section and will discuss the situation as regards the Texas field, its needs and opportunities.

Law Prohibiting Hunting for Five Years Opposed

A letter has been addressed to the legislature by Wesley Peacock of San Antonio, president of the Associated Hunting and Fishing clubs of Texas, in which the writer makes suggestions as to protecting and conserving game, and sets up the claim that there are better ways to do this than by adopting a law stopping the killing of any game for five years.

Mr. Peacock suggests that a bounty be put on enemies of quail, among them being armadillos, raccoons, opossums, skunks, rats, housecats, bobcats, coyotes, wolves, snakes, owls, hawks, bird dogs and foxes. He also suggests a license on hunters and wants game wardens on salaries.

He closes by expressing a desire for the passage of the Caldwell-Swope bill.

You Need Not Suffer from Catarrh

BUT YOU MUST DRIVE IT OUT OF YOUR BLOOD TO GET RID OF IT PERMANENTLY.

You have probably been in the habit of applying external treatments, trying to cure your Catarrh. You have used sprays, washes and lotions and possibly been temporarily relieved. But after a short time you had another attack and wondered why. You must realize that catarrh is an infection of the blood and to get permanent relief the catarrh infection must be driven out of the blood. The quicker you come to understand this, the quicker you will get it out of your system. S. S. S., which has been in

constant use for over fifty years, will drive the catarrh poisons out of your blood, purifying and strengthening it, so it will carry vigor and health to the mucous membranes on its journeys through your body and nature will soon restore you to health. You will be relieved of the droppings of mucus in your throat, sores in nostrils, bad breath, hawking and spitting.

All reputable druggists carry S. S. S. in stock and we recommend you give it a trial immediately.

The chief medical adviser of the Company will cheerfully answer all letters on the subject. There is no charge for the medical advice. Address Swift Specific Company, 40 Swift Laboratory, Atlanta, Ga.

MEETING HELD BY WESLEYAN CLASSES

The regular monthly meeting of the Adult Bible classes was held at the Elm Street Methodist church last night, at which time Horace Williams presided. The following program was given.

Devotional exercises led by Rogers Cox; address on "Conducting a Bible Class," by Rev. John R. Morris, Jr.; reading, Miss Johnnie Buchanan; duet, Misses Edith Dryden and Nenne Damm.

After the program was completed the federation of the Wesleyan Student Loan Fund to be promulgated by this federation. Seven directors will soon be appointed to conduct this part of the work.

T. E. Leach, president of the Baraca-Philathea City Union, extended the federation an invitation to meet with the Baraca-Philathea social festivities Monday night at the First Baptist church.

G. W. Barcus reported the matter of the formation of a district federation to be organized by the federation and a committee will be soon appointed towards that end. He announced that the Conference Federation of Bible Classes will meet in Temple April 26 to 28.

Oscar Steel was elected treasurer for the remainder of this administration.

An invitation was accepted to meet at Fifth Street Methodist church the second Friday night in March. Refreshments were served by the young ladies of Elm Street.

PROGRESS MADE IN SINKING WELL

Excellent progress has been made in sinking the big new artesian well at the plant of the Waco city water works, up the Brazos river. It was stated yesterday afternoon by Secretary-Manager E. L. Fulkerson. He said that Contractor J. P. Benkendorfer is making nearly a hundred feet every twenty-four hours.

The well is now down about 500 feet, and still is twenty inches in diameter. Should it begin to cave it will be cased and the size of the hole reduced. It will be reduced to a ten-inch hole before it reaches the bottom.

Drilling is proceeding night and day.

Pan-Hellenic Club Invites Houston Man to Speak at Banquet

One of the most accomplished after-dinner speakers in the entire state, Judge Hume of Houston, has been invited by the Pan-Hellenic committee to be the guest of honor for the banquet of the Pan-Hellenic club on the night of February 22 at the Manhattan cafe. The holding of this banquet will inaugurate the cafe's new banquet hall. O. L. Stribling is to be the toastmaster.

Special speakers from Temple, Marlin and other cities have been secured for this occasion. A special committee is arranging a musical program of merit to be given on this night. Besides the orchestra there will be vaudeville numbers from local theatres which are designed to please.

From present indications the affair promises to be one of the most successful of any that has ever been held.

Striking Window Display Is Presented by Bakery

A striking and original window display is that of the Sanitary Bakery, 704 Austin street, and Proprietor Fred Goldman's ingenuity is well set forth in this display.

It shows what can be done in advanced cookery, and the science to which it has been reduced, evidencing also much originality in designing the marriage scene which is presented so fittingly in the great cake with its settings, the figures who are evidently the bride and groom, and the beautiful surroundings which have been so cleverly wrought.

Weather Man to Give Address Next Week

Dr. Isidor Block, weather observer for the Waco Morning News, will give two addresses in the near future. Friday night, February 15, he will speak before the members of the Waco high school Radio club on "Meteorology," and will address the Young Men's Hebrew association Sunday night, February 18, on the same subject.

Y. M. C. A. CIRCUS IS UNQUALIFIED SUCCESS

APPROXIMATELY \$100 ARE SECURED FOR BENEFIT OF GYM.

Declared to have been an unusual success, the Y. M. C. A. circus last night was put on before an immense crowd. Numbers were even turned away from the show on account of lack of room for them to be admitted. Approximately \$100 was raised through the circus which will be used for the benefit of the gymnasium.

As announced, the program in its entirety was carried out.

Provident Heights Church Will Have Special Music

The brass quartette of the Provident Heights Baptist church will render several selections at the Sunday night service. Another musical number will be by the Paul Quinn negro octette, which has just closed an engagement which took them to several Texas points. Crate Dalton, H. R. Haney and B. C. Nabors are members of the music committee of the Provident Heights church, which has charge of the program arrangements.

The subject of the pastor's sermon will be "Love."

Receives Complaints of Pigeons Flying at Will

With spring gardening in sight, police officers have heard complaint from residents about pigeons which are allowed to fly about at will.

In more than one case the officers have been called upon to do something about the raids of pigeons. There is an ordinance against keeping pigeons inside city limits unless the birds are kept penned.

Plumbing Contract for Waxahachie High School Is Secured by Waco Firm

One Waco firm at least will participate in a contract which was yesterday let for the new high school at Waxahachie, the total cost of which will be approximately \$50,000.

This firm is Hill Bros. & Co., who will do the plumbing for the new high school in that city. N. S. Hill returned from Waxahachie yesterday afternoon, having signed the contract which secured the plumbing and heating for his firm, the consideration for this part of the work being \$17,000. The new high school in Waxahachie will be three stories.

Yesterday Was Poor Day for Dan Cupid

Up to 5 o'clock Friday there was not a marriage license issued by the county clerk. Judge Baker and his staff of assistants say there are very few Fridays go by that a license is not taken out, however, Friday is usually a poor day for Cupid.

BE WISE!

Read the handwriting on the wall. All food products jumping higher each day. Onions advanced 800 per cent; Cabbage advanced 500 per cent; Potatoes advanced 250 per cent; Beans advanced from 100 to 300 per cent; Flour 100 per cent; Canned Goods 50 per cent, and Sugar and Lard and all Meats going higher and higher, while our salaries and our incomes, our cotton crop is going down. We must be wise if we avoid suffering and want and woe, and force ourselves to be more saving. Watch our expenses more carefully, be more thrifty and be prepared for the worst.

"A Declaration of War Against the United State"

was Germany's answer to President Wilson's address to the United States Senate on world peace, remarks the New York World, an organ very close to the administration. After thus characterizing the German note establishing a "war-zone," or submarine blockade on February 1st, the same organ added that "if Germany wants war with the United States, let Germany have war with the United States."

While outbursts of indignation come from many of the leading newspapers, there are others which caution a "sit-tight" policy. The German-American press takes the news calmly, an exceptional attitude being that of the St. Louis Amerika, which regards the move of the Berlin government as "a mistake," and questions "whether it was wise to answer in such a way the suggestion of the President." Quite as exceptional, and perhaps more significant, as showing the German government's present feeling, is the expression of George S. Viereck, of the "Fatherland." "This country being honestly desirous for peace, cannot but approve a measure which we know Germany has only decided upon as a last resort and which promises to bring the hostilities to a close before Easter."

In this week's LITERARY DIGEST (dated February 10) there is an illuminating description of the effect of Germany's note upon the people of the United States and elsewhere. Editorial comment representing public opinion from every section is given.

"The Digest" Saves Both Time and Money for You

The average man or woman nowadays finds every hour of the twenty-four crowded to the uttermost and has constantly to postpone important affairs from sheer lack of time. Qwing to this ever-growing pressure and the multiplicity of magazines and periodicals published most people are able to get only a sketchy and unsatisfactory idea of what is going on in the world about them and that at the cost of much precious time that could be better employed,

and the expenditure of considerable money for garbled versions of the news. THE LITERARY DIGEST saves hours of time and much small change by giving you the real news and nothing else, and that in the most concise and accessible form. Two hours' reading of this all-around weekly will keep you up to the minute on the war, politics, religion, art, literature, science, and all else that you should know. Get it today.

Beware the Cold Storage Egg! In his work on food and dietetics Doctor Robert Hutchison says, "the absence of carbohydrates prevents eggs from being in any sense a complete food." This refers to the fresh egg—the egg with a clean bill of health. What would the Doctor say of the modern cold storage egg? At present prices two eggs cost ten cents—and the egg is not a complete food! Something must be eaten with it to supply the needed carbohydrates. Two Shredded Wheat Biscuits, with cream or milk, make a complete, perfect meal at a cost of four or five cents. Made at Niagara Falls, N. Y.

SALARY OF ASSISTANT FIRE CHIEF DISCUSSED

ED BAUERLE WILL NOT BE CANDIDATE FOR RE-ELECTION.

Whether the first assistant chief of the Waco fire department shall receive full pay was the question which engaged attention of the firemen of Waco at the department meeting last night in the central fire station. This matter may receive attention along with others at a meeting which was called for Friday night of next week, the city commission being invited to be present in a body.

The invitation to the city commission to meet with the fire department representatives came after the debate had proceeded for some time, a number of the firemen wanting to declare at once in favor of a full paid first assistant chief of the Waco fire department, and others thinking it might be best to confer with the commission before taking this action.

Chief Ed Bauerle of the Waco fire department announced in the department meeting last night that he will not be a candidate for re-election to the place which he now holds when the annual election is held on March 2. In the meeting of March 2 a chief, first and second assistant chief will be chosen, and in an after meeting a secretary and treasurer also will be chosen.

Annual Midwinter Bible Institute Begins Sunday

Beginning with an address by Dr. J. L. Gross of Houston Sunday morning at 11 o'clock, the annual midwinter Bible institute will begin at Columbus Street Baptist church, to continue for eight days.

Dr. F. S. Groner, pastor of the church, is the founder and director of the institute. The public is invited to attend all sessions.

Speakers of much prominence will participate in the program. Among those who will be heard are men of national and international reputation. Three sessions of the institute will be held daily.

Will Send Notary List to Austin in Short Time

Persons desiring to become qualified notary public should notify County Clerk J. W. Baker at once. At the present the county clerk is having made up a list of the old notaries and within a few days he will send the list to Austin for the approval of the state department.

Thrifty Eyes for Thrifty People.

Thrift is an endowment of good eyesight. Thriftiness and defective sight do not go hand in hand. If your eyes tire, cause pains in back of head, neuralgia in temples, nervousness, sick stomach and sleeplessness, you are greatly handicapped in life's pursuits.

THRIFTY EYES MAKE THRIFTY PEOPLE.

If you would have thrifty eyes you must relieve them of any and all optical errors. And the best and most satisfactory way to insure your eyes against physical ailments is to have them examined at the Exclusive Optical Store. Here you will find one of the finest and most modern equipped establishments in the United States; also a man who has successfully prescribed glasses for over 25,000 people living in all parts of Texas. High School Club Boys Hear Talk by Meridian College Head Last Night

About sixty-five boys heard G. F. Winfield, president of Meridian college, at the regular meeting of the High School club, held at the Y. M. C. A. last night at 6:30 o'clock. Mr. Winfield's theme was "The American Genius."

In his address the speaker declared that this is a young man's age, and said that this fact made for the weakness rather than strength of the nation, because, he asserted, it takes time to develop that strength of character which is essential to a really successful life. He advised that young men should not be in a hurry to get into school and enter business, but should acquire a thorough and broad foundation upon which to build success.

Supper was served by mothers of several of the boys present.

Campaign for Baptist Education Progressing

It was stated yesterday by Chairman J. M. Dawson of the general committee on the Baptist educational campaign in McLennan county that it is hoped to raise about \$25,000 to \$30,000 in this county towards the \$250,000 which is to be raised in the state by the close of this month.

Work is proceeding smoothly, he said, with good reports from all over the county. All money raised in this county will go towards Baylor university unless it is specially designated otherwise by donors, and if the total amount wanted in Texas is \$2,500,000, Baylor will get \$100,000 of this total, including the amount raised in this county.

"The Story of Baylor University" will be the theme of Rev. J. M. Dawson, pastor of the First Baptist church, Sunday morning, at which time he will present the cause of education and of Baylor.

Conservation District Bill Is Discussed Here

A conference was held yesterday afternoon between President W. V. Seley and Vice President C. S. Fowler of San Antonio representing the Texas Conservation and Reclamation association. Field Agent A. D. Jackson also participated.

The officials expressed satisfaction over the condition of the bill pending in the Texas legislature looking to the securing of a constitutional amendment permitting the people of Texas to form districts for the protection of their lands, to build dams to hold back floodwaters and take other necessary steps for flood prevention and land reclamation. The bill already has passed the senate without a dissenting vote, and it was stated yesterday that its chances in the house look most promising.

"The possibilities of this movement are absolutely incalculable," said Vice President Fowler yesterday. "If we can get the amendment passed it will mean a new era for Texas."

Directors of Commercial Clubs Attend Luncheon

Directors of the Chamber of Commerce and Y. M. B. L. were guests yesterday noon of Frank Clark & Sons, manufacturers of Touchdown cornmeal and handlers of other products, at their place of business at Thirteenth and Mary streets. The luncheon was made from the Touchdown products.

John F. Wright, who acted as toastmaster, called on Mr. Clark, who spoke briefly of Waco and the business opportunities here, mentioning the part the commercial organizations are playing in the progress of the city, and expressing pleasure at having as his guests the directors of the commercial organizations.

Responses were made by Secretary H. D. Driscoll of the Chamber of Commerce and W. W. Naman of the Y. M. B. L. After the luncheon the visitors were shown through the plant.

Complaints Charge Four Men With Theft of Cars

A total of ten automobiles had been recovered to last night by the police department from information secured from the four men who were arrested in connection with thefts of autos.

Four complaints have been filed before the county attorney against Jim Thomas, Waco; Edgar Long, Waco; Johnnie Saxon, Memphis, Tenn.; and Earl Wilson of San Antonio.

The first arrest was made Wednesday night by Night Chief Charles James. This was followed up Thursday by Police Chief Guy McNamara and the detective department.

Baylor Belton Choral Club to Be Here Sunday

Coming to Waco in a body the Baylor Choral club of Baylor Female college at Belton, will spend Sunday in Waco as guests of members of the First Baptist church.

The young women composing the club will be in charge of Professor and Mrs. Lovett of Baylor Female college. The club will sing Sunday night at the First Baptist church, at which time Rev. J. M. Dawson will preach another of his series of sermons, the subject at that time being "The First Union, or Edenic Marriage."

LOW PRICES GIVEN BY THRIFT CLUB STORES

MERCHANTS ARE CALLED ON BY CAMPAIGN PROMOTER.

"You can say for me," said Uncle Samuel Thrift yesterday, "that the members of the Thrift club have put their prices in tune with the name of the campaign, and in many cases they have marked them down like a special sale. I took a complete survey of the merchandise in the twenty and more stores Friday and I could give each of them a clean bill of health as far as prices are concerned, likewise an 'O. K.' if I were a pure food inspector or a quality doctor. I found Miller of the Graham-Jarrell store with his cut price 'specks' on and everything in tip-top shape for a big Saturday's business. Sam Freund has many different brands of tobacco and kinds of pipes, candy and other habit-satisfiers. I found Dick Smith, at Gray and Smith's, up to his eyes in what could be logically termed 'making ready for the Sunday dinner' orders."

"Then I came around to Cameron & Co. and found a line of wall paper pretty enough for spring dresses. Then I crossed over to Armstrong & Pfeiffer and was tempted to buy some of that ornate substance that makes folk look prosperous and gives the impression that you own stock in a bank. Then I took a walk down to the Walk-Over Boot Shop and walked right in and Miller had a pair of mud shields on me before I could tell him 'No.' Next I drifted by George's Spectacle Store and would you believe it, I looked at the 'Can you see this thing plainly' board until I almost became convinced that I needed a pair of gilm controllers. Then I got home sick. I was made to think of home and mother, and how happy they would be to see me, all of which happened in the Waco Thrift Factory.

Visits Other Shops.

Then to kill some time for which I was well paid for, I paid J. C. Kilgore a visit. Don't go to Kilgore's unless you want to spend some money. He has more different things to make an auto look and feel more comfortable than my nephew, Santa Claus, has friends in December. Likewise I made hay while the sun shone at the Hays Tire company. Some gas wagon on shop, this Hays company. Then I began to crave more scenery and I wandered over to Craven & Jenkins' tire shop. After this I took a course in gardening at the Waco Hardware store. These folk are post graduates in the selection of tools that will make a fellow go to the bean store and buy his head off for seeds with which to plant a garden. Up to this time nothing out of the ordinary happened, but I suddenly became electrified with a leaning toward the Waco Electric company's place. Then I got tied up in the Atlantic and Pacific tea and coffee house. After this I potted up to the Potts Furniture company and at the Hippodrome theatre. I hammed it into the Quality Cleaners, passing through the Hammond-Vawter establishment, got sporty in the Dorsett sporting goods house, went by the Mohan Florist and crossed the street and dodged a string of Dodge cars and sat down to a bounteous repast served by Chick's appetizing establishment and sent my regards to the Kaiser and here I am."

"These folks advertise with you," Uncle Samuel continued, "and I hope your readers will not only use a liberal amount of thrift certificates in the purchase of merchandise from them, but also watch their advertising for prices, because they are in line."

"And, by the way," Uncle Samuel went on, "I want to say to you that some of the girls of Waco are losing some good business by not joining the campaign now, because many telephone orders have been filled today for thrift certificates from people who could not get them otherwise. We have work for twenty-five more girls."

SEEKS MEMBERS FOR HUACO CLUB

Active solicitation began yesterday afternoon for members to the Huaco club, which is to be located at Day's Lake, a few miles north of Waco. The solicitation followed a meeting of a committee of ten at noon yesterday. A meeting of members will be called within a short time, when plans for improving the new grounds will be discussed. An eighteen-hole golf course will be installed at Day's Lake and there will be swimming, boating and other amusements, and a suitable club house is proposed.

Everything Is Ready for Holding Election

Tickets have been printed and everything made ready for holding the primary election Tuesday, at which time voters eligible to participate will express their preference for two city commissioners, city attorney, city secretary, city tax collector and city recorder. Election judges already have been selected.

Polls will open at 8 a. m. and close at 7 o'clock p. m. Tuesday.
